

Let your School Tour the new

Want a local school tour with something different? With educational aspects such as local wildlife expert presentations and creative activities like raft building, our paddle school tours have something to suit any school around. Giving the children an introduction to kayaking and canoeing on the Lough Derg Blueway is the main activity we want to promote. From **Terryglass Marina** with Lough Derg Water Sports.

Contact us on **+353864114822** or **+353868739242** soon to book your class in. Or email info@loughdergwatersports.com
